

2410 StealthLite™

Our most demanding users wanted a safety-certified task light slim enough to fit in a pocket, but without sacrificing performance. We integrated a high-intensity, machined-aluminum LED module with a locking on/off toggle switch, which is ideal for operating with gloved hands. The 2410 represents a safety-certified task light with the compactness necessary for on-the-go tasks, but with all the performance and durability that you'd expect from Peli. Same features as the StealthLite™ 2400 Flashlight, but with the LED module that produces a true, bright collimated LED beam. The 2410 is corrosion proof, resistant to extreme temperatures, and submersible. It is powered by 4 AA alkaline cells (included).

- Tan brillante como una linterna de xenón y con la duración de un LED.
- Resistencia Peli
- Sumergible
- Potente haz de luz de LED
- Garantía limitada de por vida de Peli**
- **La garantía de por vida no es aplicable en los países cuya legislación no lo permita

DIMENSIONES

longitud	7.00" (17.8 cm)
----------	-----------------

MATERIALES

cuerpo	EXL
anillo de sellado de neopreno	Ethylene Propylene
lente	Polycarbonate (PC)
cubierta	ABS
contacto, resorte y retenedor	Stainless Steel / Phosphore Bronze

COLORES

Black	High Visibility Yellow
